Inventories

OF PRIVATE RESIDENCES

are a necessity in the adjusting of **LOSS-ES** by **FIRE** or **BURGLARY** and in the **SETTLING OF ESTATES**. They should be made by people expert in the art and bound in duplicate, one to be kept in the house for ready reference and the other put in a safe place together with the Insurance Policies.

Nineteen years ago I originated the system of Inventorying the contents of Private Residences, which has since become so popular and well known throughout the country, and which I have since perfected to a high degree.

It affords the owner **ABSOLUTE PROTECTION**, as over **Five Thousand Patrons** in the principal Cities and Summer Colonies of the United States will testify.

Estimates furnished free of charge and satisfactory work guaranteed. Send for my Illustrated Booklet which contains the names of many of your friends and neighbors.

FREDERICK C. RUSSELL

Originator of the System

The First National Bank of Boston

THIS institution is equipped to supply every banking facility. No business is too large, and none too small to receive the careful and considerate attention of trained and capable officials.

It maintains an efficient Trust Department.

It is authorized to act as Executor and Trustee, in which capacities it offers the most efficient service.

Its Safe Deposit Vaults guarantee the safety of securities and valuables at a low insurance cost.

Through its Commercial Service Department it supplies business interests with valuable information regarding trade conditions here and abroad.

Its Branch in Buenos Aires, Argentina, and extensive banking connections throughout the World, place the bank in a position to handle foreign business to the best advantage.

It is a most desirable depository for your business or personal accounts, either checking or time deposits, on which interest is allowed.

Capital, Surplus, Profits, \$27,500,000
Resources over \$250,000,000

Clothes of Character

"Their service exceeds their price"

AT the outset, there is in Macular Parker Clothes a certain distinctiveness, a subtle suggestion of just-right-ness which adds to the enjoyment of the wearer.

But the keenest satisfaction is realized in continued use.

For it is *then* that you can *see* the real value of their sterling quality in fabric, coloring, and craftsmanship.

If we have not the honor of your patronage, will you not visit us when next you purpose purchasing or ordering clothes?

CARD ETIQUETTE

The significance of a card is always considered by well-bred men and women, and its fitness to the occasion is an expression of its owner's individuality; in fact, the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the eldest unmarried daughter she is appended as Miss Smith, otherwise her full name is given with the prefix of Miss.

When two daughters enter society together it is proper for them to be mentioned upon their mother's card together, thus:

MRS. JAMES SMITH.

THE MISSES SMITH

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your city can be sent either by mail or messenger as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of the bearer should be written above that of the giver, prefixed by the word "Introducing," and the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS

Cards to a church or home wedding, followed by a reception, need no written answer if the recipient proposes to attend, unless bearing the letters R. S. V. P.

When attendance at a church wedding is impossible, cards must be sent the day of the marriage directed to those from whom the invitation comes.

If present at the church it is polite to send a card or cards to those who invite.

CARD ETIQUETTE IN WASHINGTON

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit, the Cabinet officer or the Senator.

Many yield this point to the Senate. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of the United States Senators will hereafter call upon the wives of Foreign AMBASSADORS, while the wives of Foreign MINISTERS will make the first call upon the wives of Senators.

In all society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.
